The young ladies of Christ Church will hold a Bazaar in Opera Hall this (Friday) evening and to-morrow.

We shall print next week an interesting letter written by "Zuko," which was crowded out of this week's issue.

The weather permitting, there will be a game of ball to-morrow between the Blue Sox of this city and the Vernon ball club.

We were favored on Thursday morning with a call from Millie Bannell, local editor of the Morning Journal, Alhambra, New Mexico.

A meeting of the State Board of Agriculture will be held at the Agricultural college commencing on Monday evening the 15th inst.

Tuesday morning, Mr. Guy Stoner, who has been in the employ of N. Herman for sometime past, left for Detroit. The Times wishes Mr. S. success.

The St. Charles Reporter of the 6th inst. says that "Charles H. Allen, representing N. McBain, of Owosso, was in town Thursday. Charles always meets a welcome when he comes here.

The citizens of Cornua voted on Saturday to bond the city for \$10,000 to build a jail. We do not believe in the present state of the public mind on the county seat question the investment will prove a paying one.

Burhans & Dawes received an order for goods this week from a firm in Fargo, Dakota. This is one of our most enterprising firms and the above shows they have a wide reputation for fair dealing and that they sell good goods.

Hon. B. O. Williams returned from Lansing on Tuesday evening, bringing with him a portrait of himself, said by those who have seen it to be exceedingly life-like. It was executed by Lewis K. Merrell, a well-known Lansing artist.

The Ladies' Aid Society will furnish roast turkey and other luxuries at their regular dinner on Saturday. The evening entertainment will be inviting and pleasant. We hope friends from the country will remember that good meals are furnished by the ladies at low rates.

C. A. Towne of the Department of Public Instruction, at Lansing, delivered an able and eloquent address on the temperance question, at the Congregational church in this city last Sunday evening. The church was crowded to its utmost capacity, and the address gave the friends of total abstinence and legal prohibition great heart to push forward their work with renewed energy.

We are in receipt of vol. 1, No. 1, of the Allegan Gazette, a paper Republican in politics started at the village of Allegan by E. C. Reid, late partner of D. C. Henderson in the Allegan Journal. The paper presents a neat appearance, and we hope may do good work in the field he has chosen to enter. It is an outgrowth of the troubles between Mr. Henderson and Mr. Reid, which trouble it is hoped may be amicably settled, and that the seeming necessity for the two papers may cease to exist.

Burton Notes.

Firemen's Meeting.

The annual meeting of the Fire Department was held at the Council Room on Wednesday evening, Henry Woodard, Chief, presiding.

The minutes of the last meeting were read and approved.

The Treasurer's report showed \$113.29 with interest for two years on hand.

A communication from the Romeo Fire Department, inviting this company to be present at a "demonstration" to be made in that city on the 21st, was received and placed on file.

The election of officers for the ensuing year resulted in re-election, by acclamation, of all the old officers, as follows:

Chief—Henry Woodard.
1st Assistant—Randall Campbell.
2d Assistant—Hugh Douglas.
Secretary—Warren Woodard.
Treasurer—Moses Keytes.

The meeting was not largely attended and not as much interest was manifested as should be at such meetings.

Donavin's Famous Tennesseans.

Will give another of their unrivaled concerts at Opera Hall, on Monday evening, May 15th, for the benefit of the M. E. Church. It is not much to say of them that no better troupe ever sang in the city, and with a good music appreciating community they should be greeted by a crowded hall. Of this Troupe the Logansport, Indiana, Daily Journal of Oct. 22d said, "Donavin's Famous Troupe of Tennesseans drew an excellent audience at the Opera House, last night. The members of this troupe are all possessed of good voices, and they sang those old popular jubilee songs in a way that made the rafters ring and the audience applauded uproariously. There is a heartiness and zeal of soul and body in these old 'spirituals' which white folks singing can never come up to. The entertainment closed with 'Strauss' Blue Danube,' sung in a finished manner."

The State Register, printed at Springfield, Illinois says, "Only a few back seats are left on the plat of the M. E. Church for the entertainment of 'Donavin's Famous Tennesseans.' We can only speak of them as a group of as fine singers as ever traveled."

Deferred Letter.

Mr. J. D. Almendinger, one of our substantial farmers, who has been on the sick list for the past few months returned from Ann Arbor, on Friday last, where he had been in search of help, no better.

Mr. L. Sprinkle, who lately moved from New Haven and purchased a farm among us, has his new house nearly completed. We welcome Mr. S. and family.

Mr. and Mrs. Henry Williams returned last week from the northern pines where they have been employed in keeping a large boarding house, in the best of health and bringing with them a good supply of home things useful.

One of the most pleasant events of late was the birthday party of Miss Emma Jennings, celebrated on Monday evening last, when some thirty of her friends assembled and spent the evening in pleasant conversation and singing. Leaving numerous presents, all joined in wishing her many pleasures before the arrival of her next birthday.

The growing wheat crop bids fair to be fully an average crop, and the prospects for all kinds of fruit was never better, therefore farmers generally look smiling.

Mr. George Richardson is placing the material on the ground near his residence for the erection of a cabinet shop to be run by steam power. We predict he will succeed as his friends are as numerous as the sands of the sea.

It pays to buy your clothing of Greene & Rolison.

Free Delivery.

Messrs. Williams & Hartshorn propose to have a free delivery of the agricultural implements sold by them, on Saturday, May 20th. At that time they will display on the street under full head of steam one of the celebrated Blakesley Traction engines, built at Springfield, Ohio, and probably for the uses for which it is designed, the best made.

A free dinner will be served to all who come in to take away machines purchased of them, and join the public demonstration. The procession will form in the afternoon in front of their warehouse and proceed through the principal streets led by Prof. Meyrelles' 21st Commandery Band. They expect to deliver more than 100 new machines, and farming tools, on that occasion, among which will be many of the Buckeye and McCormick mowers, reapers and self binders, machines every where acknowledged to be the best, of the best.

From what we can learn we believe this free delivery will excel in extent, and attractions any free delivery ever attempted in this section of the state and should attract the attention of the farmers in all the surrounding country.

All the latest styles in hats at Greene & Rolison.

Greene & Rolison guarantee all goods to be as represented.

OWOSSO, MARCH 18, 1882.

To the Mayor and Common Council of the City of Owosso:

We, the undersigned, Farmers of the Township of Owosso, would represent that the road for one mile West from the crossing of the M. C. R. R. and Main street, in the City of Owosso, is, and has been for the four months last past, in an almost impassable condition and that loads hauled to the City of Owosso during the past winter have had to be abandoned on this piece of road and we would further represent that in justice to ourselves and our teams we shall be compelled to seek a market elsewhere for our produce unless this miserable piece of road can be thoroughly repaired or graded. That the City of Owosso is neglecting her own interest and showing a wanton disregard for ours, in thus compelling us to assert our rights as patrons of the City of Owosso.

Remarkable Coincidence.

It is a matter of journalistic record, that some years since, a schooner set sail from Baltimore, having on board a crew of thirteen men. By a most singular freak of nature the entire crew was attacked by a skin disease, which manifested itself in large ulcerated sores on the arms and hands, wholly incapacitating the men from duty. The result was that the vessel was towed back to the city where the men were placed in the hospital. Moral: Had Sweeney's Ointment for skin diseases been used in the first place, the crew would have recovered in from 12 to 24 hours.

MARRIED.—HOYT—SHUSTER.—By Rev. S. Reed, at his residence, in Owosso, May 10th, Mr. Horace H. Hoyt, of East Saginaw, to Miss Elizabeth Ann Shuster, of Rush.

A timely use of Brown's Iron Bitters will strengthen the nerves and muscles with new life and vigor, and ward off many diseases that otherwise are sure to enroach upon a weak constitution.

Mr. Amos Bradley, Rochester, N. Y., says: "As a sure cure for nervous debility and general decay of the system, I can conscientiously recommend Brown's Iron Bitters as a medicine that will give prompt relief. I do this as a duty I owe my fellowmen, being myself restored to perfect health."

Call on Greene & Rolison and examine their stock of clothing, hats, caps and furnishing goods.

No stock at Greene & Rolison, the one price clothiers.

Johnston's Sarsaparilla, Yellow Dock and Dandelion is the cheapest and best Blood remedy in use as it only costs a dollar for a quart bottle. Try it.

Mr. F. G. Delaney, of Norfolk, Va., writes: "It gives me great pleasure to experience once more that gloriously good feeling of perfect health. I was buried in despair, my back constantly pained me, and from head to foot I felt thoroughly ill. I could not walk across the yard without fatigue. Nothing I ate agreed with me. Doctors could do me no good. I tried Brown's Iron Bitters. They have given me perfect health and strength."
